CARCD02 TRACK 1 / 27
I WENT TO THE ANIMAL FAIR

I went to the Animal Fair
The birds and the beasts were there
The big baboon by the light of the moon
Was combing his auburn hair

You should have seen the monk
He sat on the elephant's trunk
The elephant sneezed and fell on his knees
And that was the end of the monk, the monk

Said a flea to a fly in a flue
Said the flea "Oh what shall we do?"
Said the fly "Let us flee"
Said the flea "Let us fly"
So they flew through a flaw in the flue

I went to the Animal Fair
The birds and the beasts were there
The big baboon by the light of the moon
Was combing his auburn hair

You should have seen the monk
He sat on the elephant's trunk
The elephant sneezed and fell on his knees
And that was the end of the monk, the monk

CARCD02 TRACK 3 / 27
ACTIN' LIKE THE ANIMALS DO

Be an ape and let your arms hang free
 Scratch your head like a chimpanzee
 See if you can do it too
 Actin' like the animals do!

Waddle like a penguin with your arms by your side
 Legs very straight, feet turned out wide
 See if you can do it too
 Actin' like the animals do!

(chorus)

Come on jump around like a kangaroo
 Stand on one leg like flamingos do
 Movin' like the monkeys you've seen at the zoo
 Actin' like the animals do!

Gobble like a turkey flapping around
 Neck sticking out scratching the ground
 See if you can do it too
 Actin' like the animals do!

Plod like an elephant heavy and slow
 Big long trunk that swings to and fro
 See if you can do it too
 Actin' like the animals do!

(chorus)

Hop like a rabbit bounce on your toes
 Big floppy ears and a twitchy nose.
 See if you can do it too
 Actin' like the animals do!

Prowl like a tiger stretch your claws
 Bare your teeth, try a few roars.
 See if you can do it too
 Actin' like the animals do!

CREEPY CRAWLIES

Spiders always have eight legs
And spiderlings hatch out from eggs
And with their silk a web they weave
There's one crawling up your sleeve!

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
There's a lot of creepy crawlies over here

Wasps and termites, ants and bees
Butterflies and tiny fleas
Centipedes, caterpillars too
There's one wriggling on your shoe!

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
There's a lot of creepy crawlies over here

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
You never know where those bugs will next appear

Creepy crawlies
Creepy crawlies
Creepy creepy crawlies
Creepy creepy crawlies
There's a creepy crawly always somewhere near

Mummy was knitting a scarf or a shawl
Kitty's so happy a bundle of fun
Mum will be cross when she see what she's done

Run around play around I can join to
Run around play around happy as can be
Run around play around the animals and me

Rover stop chasing that poor little cat
Now he's run off with my aunty's best hat

The third time this week it must be his age
He's not under the table or chair

CARCD02 TRACK 14 / 27
IF YOU MEET A TIGER

If you meet a tiger on your daily stroll
Simply smile and say, "Well bless my soul
You're the first big cat I've seen today"
And quickly creep away

If you meet a lion on your daily walk
Simply smile and say, "I've time to talk,
You're the first big cat I've seen today"
And quickly creep away

You see all big cats are jealous
Of each other's territory
So don't let on, move along
Avoiding injury

If you meet a tiger on your daily stroll
Simply smile and say, "Well bless my soul
You're the first big cat I've seen today"
And quickly creep away

If you meet a lion on your daily walk
Simply smile and say, "I've time to talk
You're the first big cat I've seen today"
And quickly creep away
Better not delay
Or you'll end up as prey!

CARCD02 TRACK 15 / 27
CAT FLAP

"That cat's fat" Mum said one day
"The way he eats and sleeps all day
If he carries on like that much more
He'll have trouble fitting through the door"
I said "the cat's not fat, he's just fluffy
It's just his fur that's making him look puffy"
But I have to admit that mum was right
He tried to get through the cat flap and now he's stuck tight!

(chorus)

Oh dear the cat's in a flap, the cat's in a spin
He can't get out and he can't get in
He's stuck in the middle with his head peeping through
Whatever are we going to do?

Some cats are slim and sleek
Some cats do and dare
Other cats are mild and meek
And up until now my cat hadn't a care!

(chorus – repeat)

Whatever are we going to
Whatever are we going to do?

CARCD02 TRACK 16 / 27
AN ELEPHANT GOES LIKE THIS AND THAT

(chorus)

An elephant goes like this and that
He's terribly big and he's terribly fat
He's got big ears and he's got big toes
And goodness gracious
WHAT A NOSE!

(repeat)

When he's walking through the jungle
All the trees they start to shake
And the monkeys run and hide
They think the earth's about to quake!

(chorus)

When he's walking through the jungle
All the trees they start to shake
And the monkeys run and hide
They think the earth's about to quake!

(chorus)

 You crazy night time guy
 Flying around hardly makin' a sound
 Without a reason why

 You crazy midnight man
 Take a nap don't be a sap

CHEEKY CHIMPS

Swinging from tree to tree to tree
Those cheeky chimpanzees
Chasing each other so playfully
Those cheeky chimpanzees
They're hooting, scooting
Right up to the top
They're messing about til time for bed
For then they have to stop

Chewing bananas one two three
Those cheeky chimpanzees
Grooming each other so carefully
Those cheeky chimpanzees
They tumble, stumble
Jump and roll and flop
They're messing about til time for bed
For then they have to stop

Making a racket, a rumpus, a row
Those cheeky chimpanzees
Tagging along from bough to bough
Those cheeky chimpanzees
They're rolling, strolling
Bounce and swing and hop
They're messing about til time for bed
For then they have to stop

It's nearly time to go to sleep
For cheeky chimpanzees
Into bed they're ready to creep
Those cheeky chimpanzees
They're dreaming scheming
For a brand new day
Night night sleep tight
Til morning light
Cos then its time to play!

CARCD02 TRACK 19 / 27
THE FRONT END OF A TIGER

Hiding in the long grass difficult to see
With all its lovely stripy camouflage
Growling through the jungle lazing up a tree
This cat is very very very large

(chorus)

The front end of the tiger has the teeth to bite and chew
Eyes for watching you
Nose to smell you too
The front end of the tiger has a loud ferocious growl
And at the other end it has a tail

If you meet a tiger watch out for his head
'Cause that's the nasty end so be prepared
If you meet a tiger just hope that its been fed
And always make a point of being scared!

(chorus)

And at the other end it has a tail

AT THE ZOO

Mummy said "Wake up and open your eyes
Hurry up get ready, I've got a surprise
You may have forgotten, where I'm taking you"
And then I remembered, a day at the zoo!

(chorus)

At the zoo there are elephants with trunks so long
At the zoo a gorilla just like King Kong
At the zoo lots of birds all singing their songs
That's what you'll find at the zoo
At the zoo there are polar bears and kangaroos
At the zoo there are lions and tigers too
At the zoo there are chimps to chatter to you
That's what you'll find at the zoo

We looked at the lions who gave us a roar
Then onto the tigers who roared some more!
Next came the elephants enjoying a bath
Onto the camels and long-necked giraffe

Priscilla, Priscilla the mighty gorilla
We salute you, your majesty!

(repeat)

Keep it up, keep it up, keep it up, you chimpanzees
By the left, by the right, by the left, you monkeys
Gibbons and baboons eyes right, if you please
For the march of the primates, our parade must be straight

She's so very safe right up there
Priscilla, Priscilla the mighty gorilla
We salute you, your majesty

ANIMAL JUNGLE

There are lions and tigers
Cheeky chimpanzees
In the animal jungle
Who's that there?
It's a big brown bear
In the animal jungle

Watch were you tread
Don't you make a sound
Whatever you do don't turn around
Don't sit there that's a termite mound!
In the animal jungle, animal jungle

There are cheetahs and panthers
Slithery snakes
In the animal jungle
On that log
There's a tropical frog!
In the animal jungle

Stay quite still
There's an elephant near
What's that cry it's a baby deer
All the creatures you can hear
In the animal jungle, animal jungle
Animal jungle, animal jungle

CARCD02 TRACK 25 / 27
IT'S RAINING CATS AND DOGS

Well I looked out of the window saw the sky was turning grey
And I knew that it was going to be another rainy day
But I never would have guessed as I sat looking at the skies
Just what the weather had in store for I could scarce believe my eyes
Well you might call me crazy and then call me it again
When I tell you cats and dogs came falling down instead of rain

Raining cats and dogs, you won't believe me but it's true
Raining cats and dogs, from John O'Groats to Timbuktu
Raining cats and dogs, North, South, East and West
Raining cats and dogs, the kind of rain that I like best

Raining cats and dogs, you won't believe me but it's true
Raining cats and dogs, from John O'Groats to Timbuktu
Raining cats and dogs, North, South, East and West
Raining cats and dogs, the kind of rain that I like best

CARCD02 TRACK 26 / 27
THE BEAR WENT OVER THE MOUNTAIN

The other side of the mountain
The other side of the mountain
Was all that he could see!

(repeat)

THE ANIMALS WENT IN TWO BY TWO

The animals went in two by two, hurrah! hurrah!
 The animals went in two by two, hurrah! hurrah!

 And they all went into the ark for to get out of the rain

The animals went in three by three, hurrah! hurrah!
 The animals went in three by three, hurrah! hurrah!
 The animals went in three by three, the wasp, the ant and the bumble bee
 And they all went into the ark for to get out of the rain

The animals went in four by four, hurrah! hurrah!

 The animals went in four by four, the great hippopotamus stuck in the door
 And they all went into the ark for to get out of the rain

 The animals went in five by five, by hugging each other they kept alive
 And they all went into the ark for to get out of the rain

 The animals went in six by six, they turned out the monkey because of his tricks
 And they all went into the ark for to get out of the rain

 The animals went in seven by seven, hurrah! hurrah!
 The animals went in seven by seven, the little pig thought he was going to heaven
 And they all went into the ark for to get out of the rain

The animals went in eight by eight, hurrah! hurrah!
 The animals went in eight by eight, hurrah! hurrah!
 The animals went in eight by eight, the turtle thought he was coming late
 And they all went into the ark for to get out of the rain

The animals went in nine by nine, hurrah! hurrah!
 The animals went in nine by nine, hurrah! hurrah!
 The animals went in nine by nine, marching up in a long straight line
 And they all went into the ark for to get out of the rain

The animals went in ten by ten, hurrah! hurrah!
 The animals went in ten by ten, hurrah! hurrah!
 The animals went in ten by ten, the last one in was the little red hen
 And they all went into the ark for to get out of the rain
